

GOOD

- 😊 Mooring line straight to the buoy
- 😊 Pickup line not under tension or tangled
- 😊 No other lines needed

NOT GOOD

- ☹️ Mooring line caught on bow
- ☹️ pickup line caught on bow
- ☹️ Extra line – gets tangled

SEE BELOW FOR HOW THE MOORING CLIPS WORK

Find the gaps in the links....

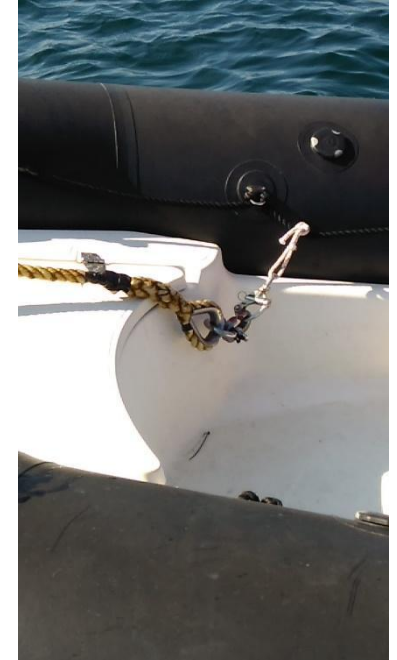

Line up the two link gaps 90 degrees to each other...

slide apart .
Hey Presto! All done

when underway, use the
handy shackle to secure it

Mooring up is the reverse: line up the two split links 90 degrees to each other and slide together through the gaps.
